CRACK

The mysterious
orage bolts are
active during the
witching hour.

I must find Young
Major Balton as
soon as possible. .

Damn it...
I didn't expect the
River to come
here... :)

Wh-What
should we do?
Should we make
a break for it?

It's too late
for that now.

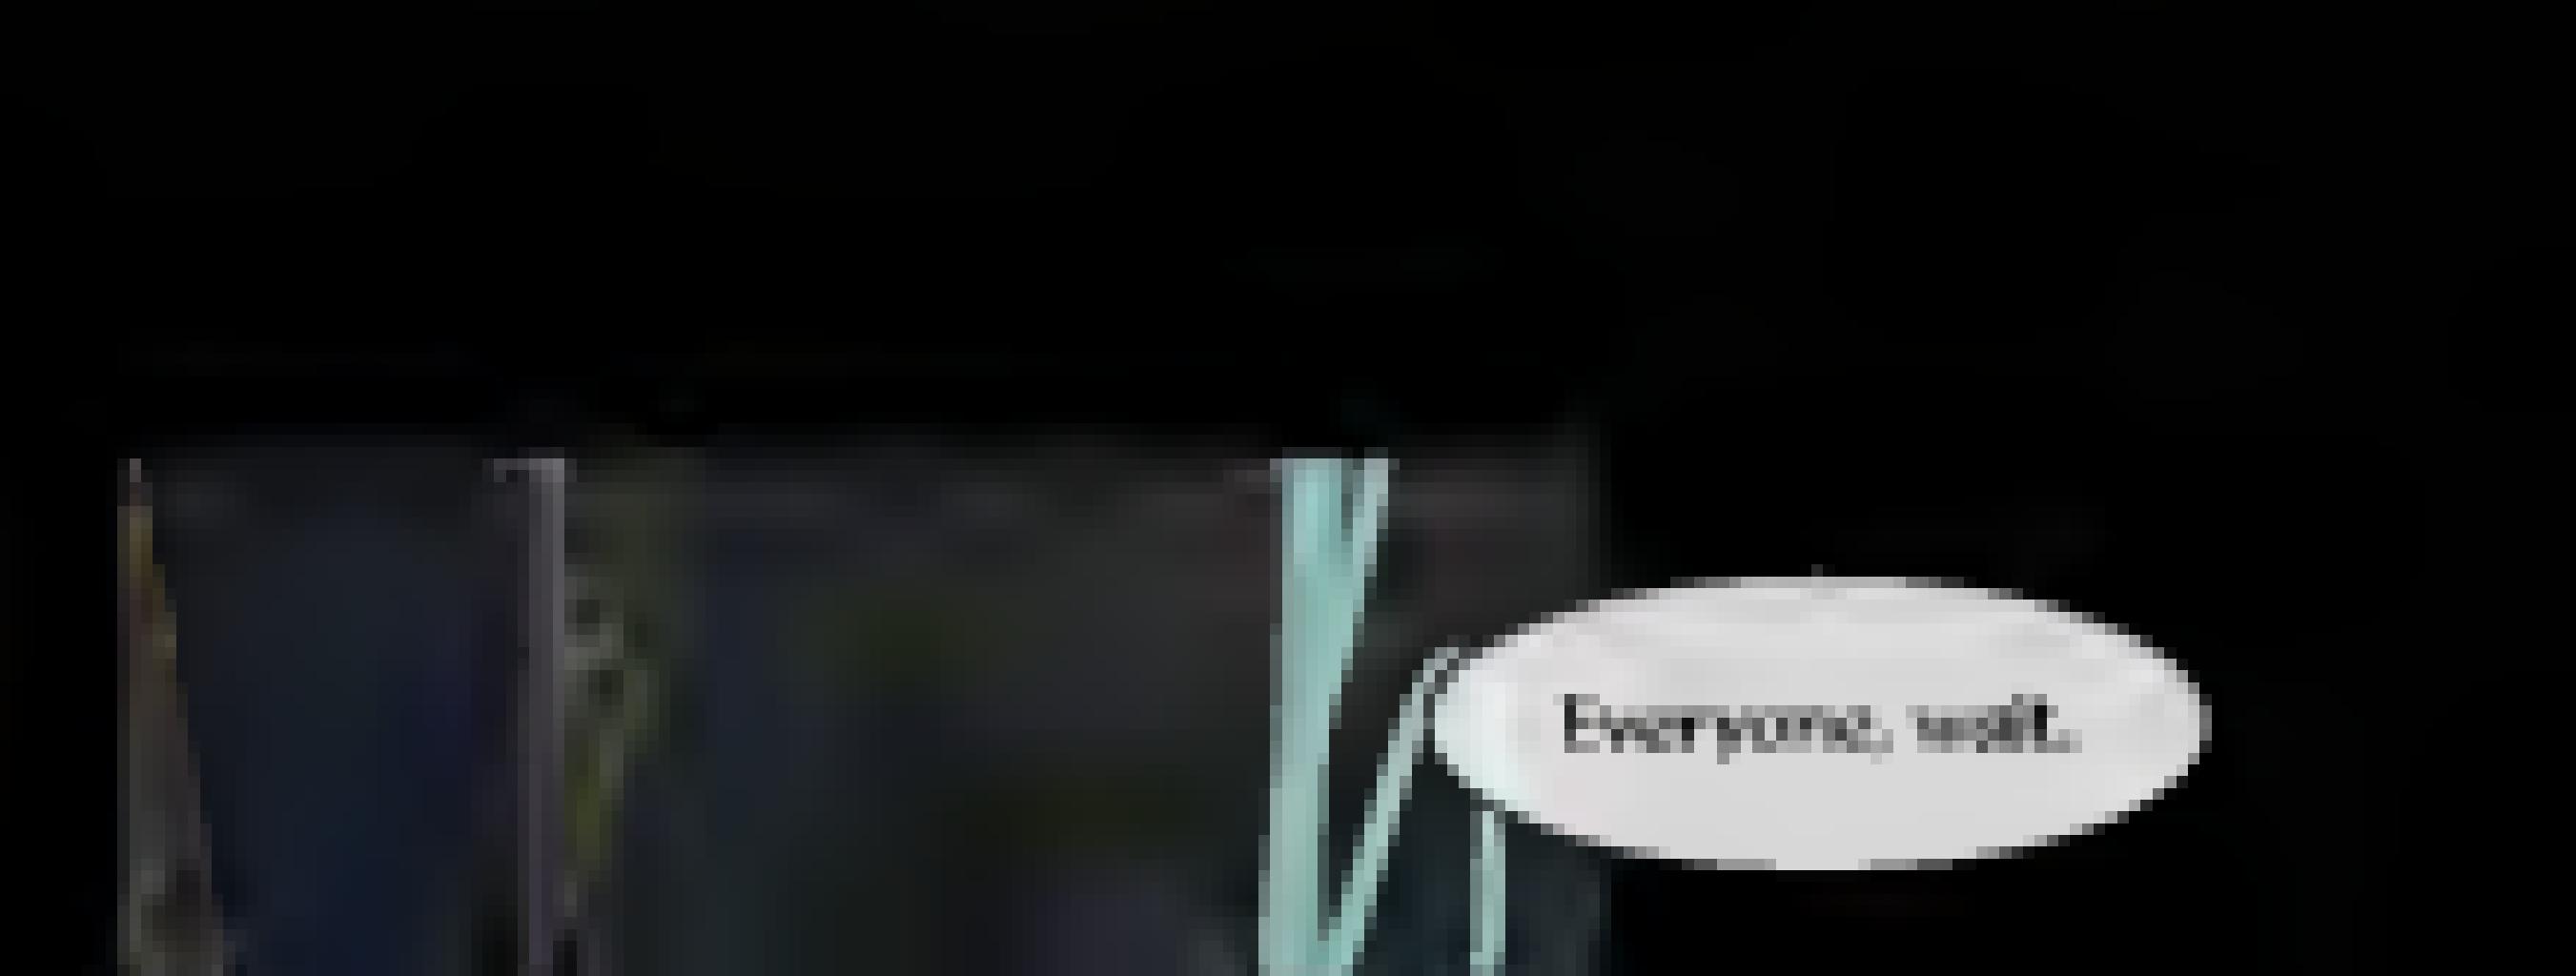

It only takes her
a second to respond
so on the spot.

We need to take
responsibility
for this.

No shot over hand
does not suffice.

Everyone, wait.

Lady Karim

The noble has died.

Given the circumstances that this is under the lake, we won't be able to make exceptions.

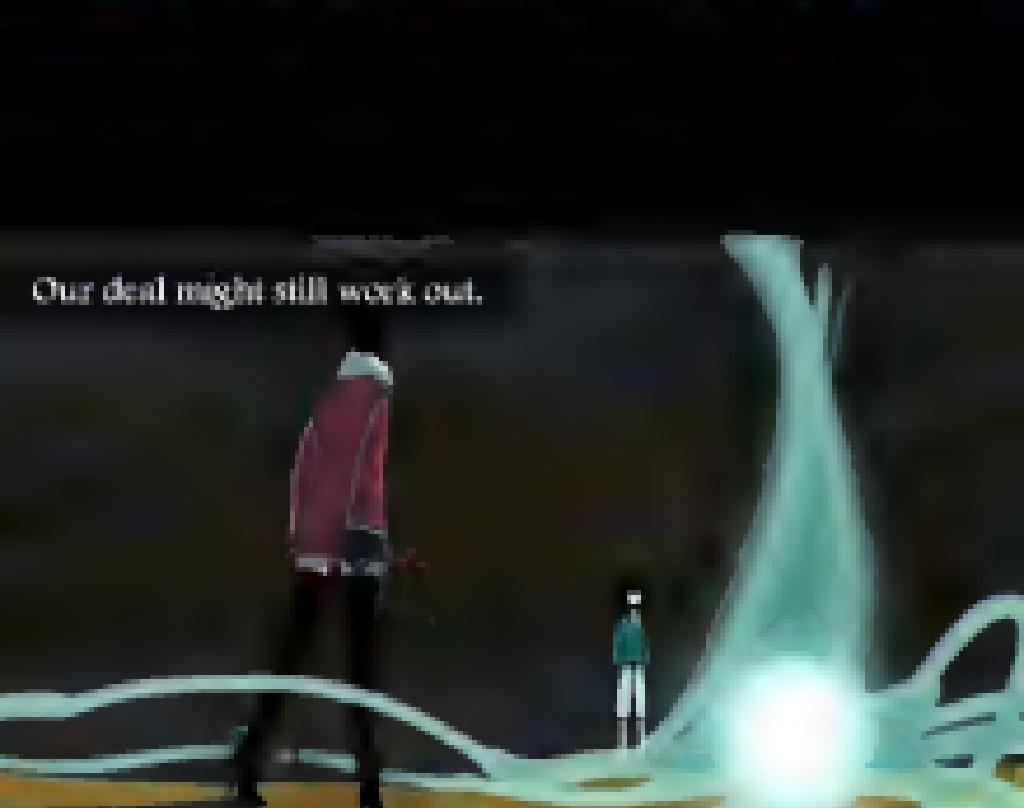

It looks like this is clearly a crime.

Furthermore, the
Empress of Dragon
Empire is a human.

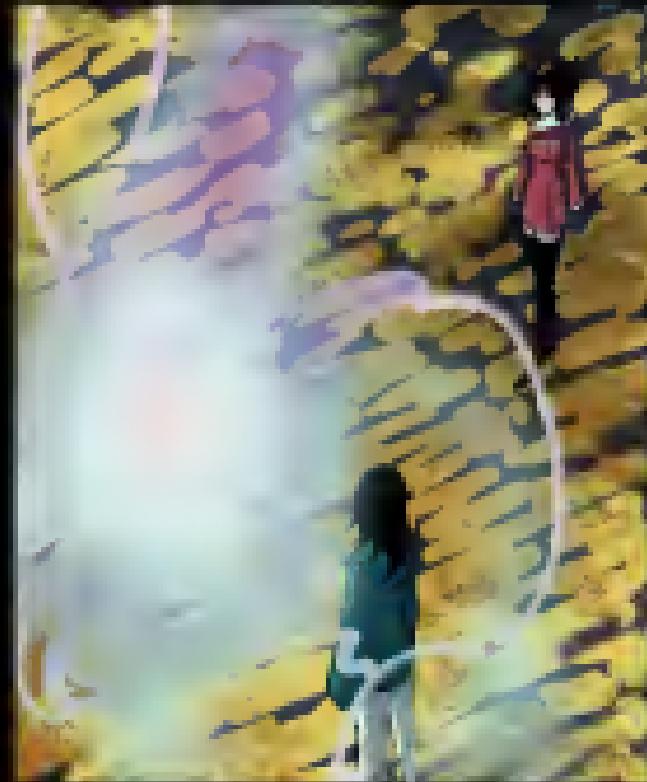

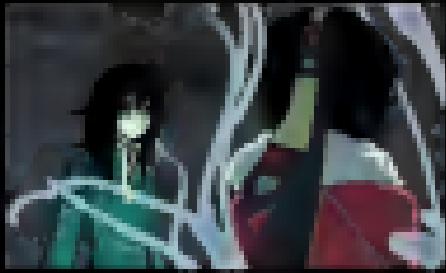

but she is
ignorant of the Dragon
Pearl's power.

We could stage this
as an accident.

Our deal might still work out.

Mr. Kallen is fine,

but the ~~average~~
boss is

!!

Should I beg for
her forgiveness?

Or should I
refuse him?

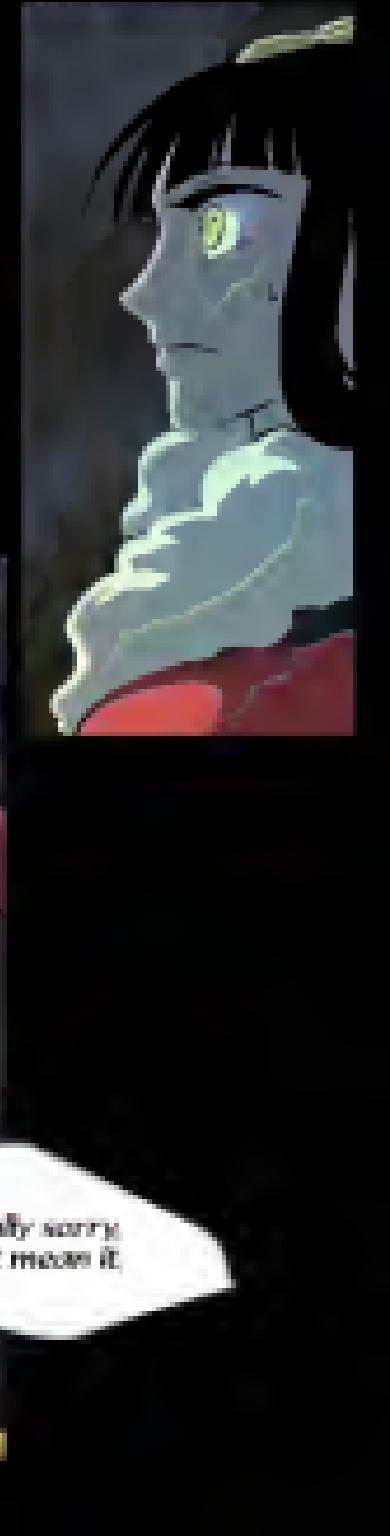

I'M SORRY!

I guess the best I
can apologize is...

I didn't know
anything about it...
that's wrong...

I'm really sorry.
I didn't mean it.

I didn't think it'd
burn out this way

Lady grama, you
should be the one
getting nuts!

the mouse
must tried to
harm that human
host!

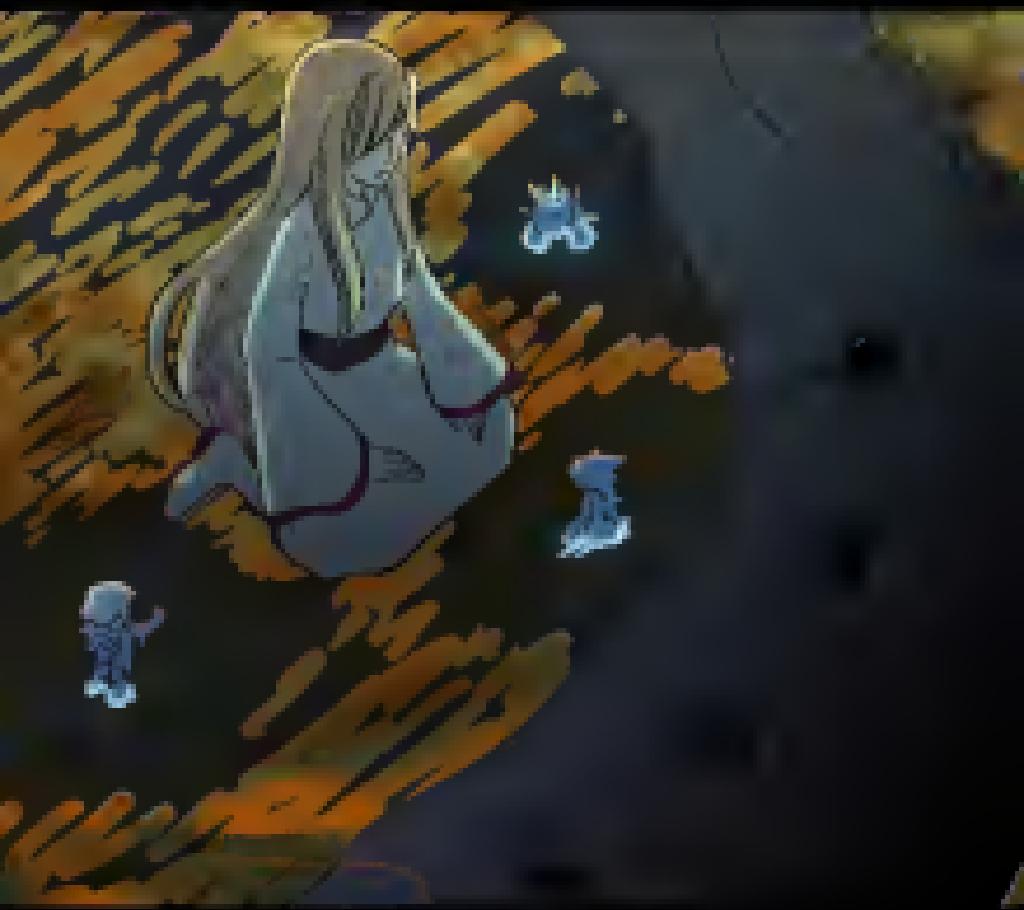

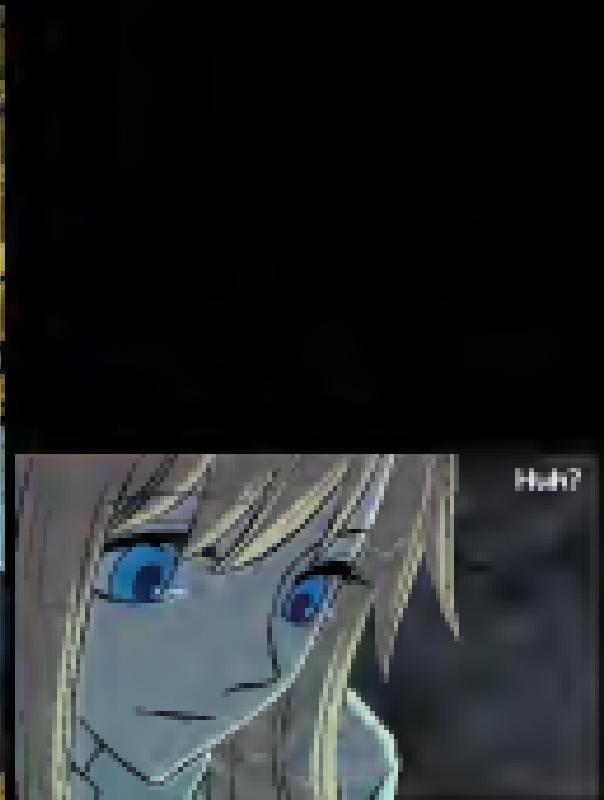

But I ended
up killing the
orange bird.

**THIS HUMAN IS A
COMPLETE RETARD!**

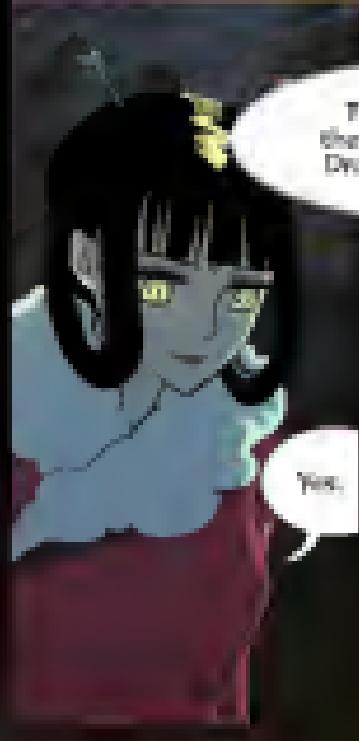

These are
bulletproof.
They must've
changed after
swallowing the power
of the Dragon
Pearl.

This was once
a playground for
the unions...

I suppose they
wouldn't have had
no reason.

They sensed
the power of the
Dragon Pearl...?

Yesss.

The dead soul

simply referred to
the earth a little earlier
than expected

There is no
need for you to
be saddened
by this

that made an Elven
you must become
friendly with about

... how the Dragon's
powers can affect the
world around us

They will know once they have retrieved their young.

Tonight has been a good night.

What's wrong?

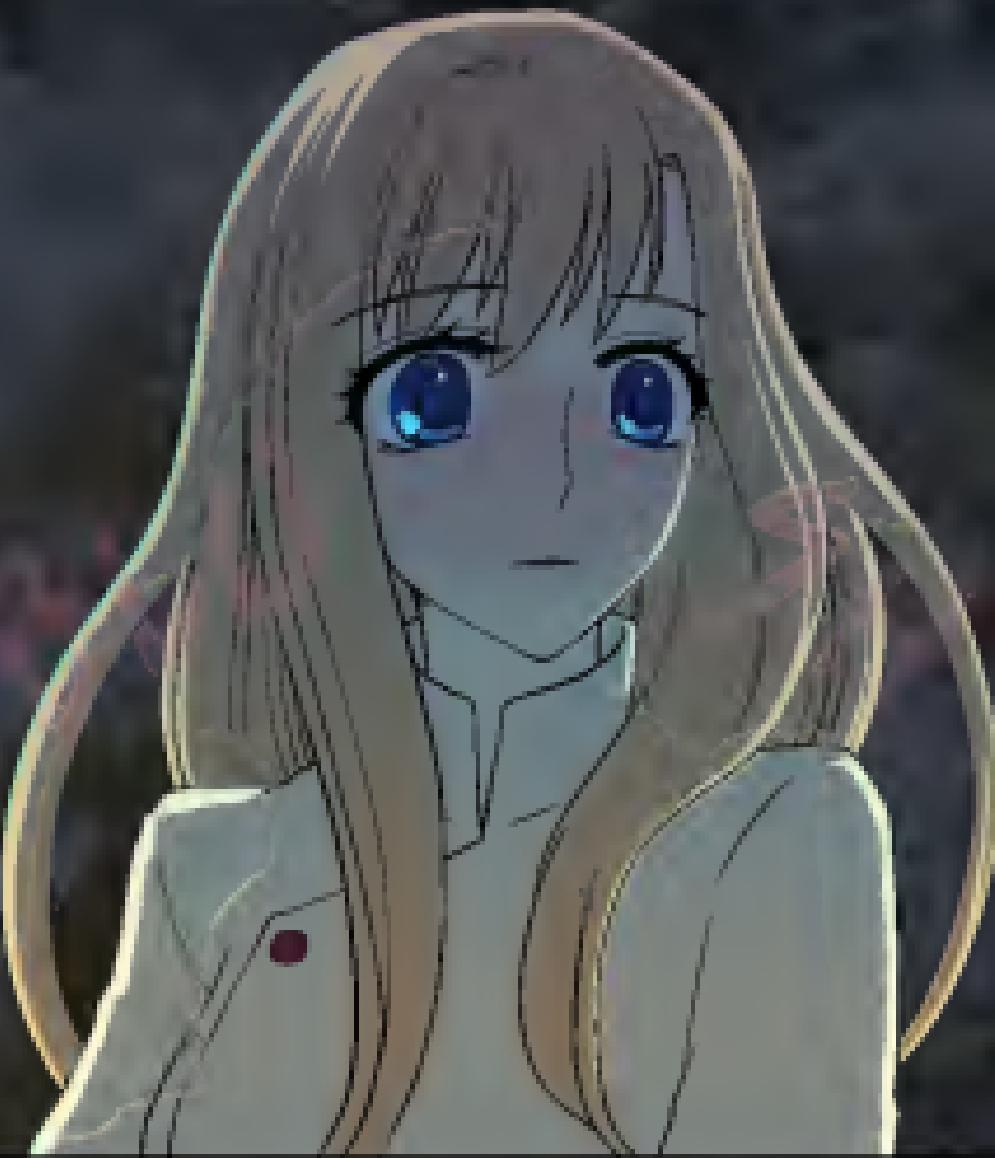

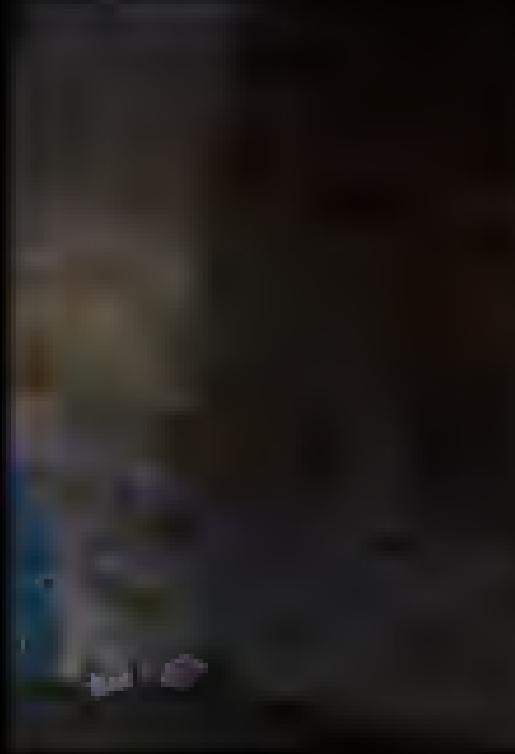

They look
alike, but feel...
different.

He expresses
things better...

And he...
